Programming Fundamentals II: Lab 11

Due Date: Tuesday Nov 26, 2024 at Midnight

Part 1. Sorting (10 Marks)

This week, we will work with our sorting algorithms. Download the Lab11.java file provided, which contains an ArrayList of Strings. Make the following changes. Do not modify the main method, and do not cast the ArrayList to an array.

a. **(5 Marks)** Write the logic for the InsertionSort method. Instead of sorting an array of ints, rewrite the algorithm to work for an ArrayList of Strings.

b. **(5 Marks)** Write the logic for the QuickSort method(s). Instead of sorting an array of ints, rewrite the algorithm to work for an ArrayList of Strings.

Add the **date and your name and student number** to the top of your java file. Please submit your java files to Nexus before the end of the day on the due date. **Late submissions will be not be accepted.**
